CMM 2-38, Administrative Items
CMM 4-10, Concrete Pavement, General
CMM 4-50, Asphalt Pavement, General
CMM 4-58, Placing Asphalt Mixtures
CMM 5-50, Pipe Culverts
CMM 6-10, Concrete Curb Ramps
CMM 6-25, Marker Posts, Cable Guard Fence and Steel Plate Beam Guard
CMM 8-15, Density Testing
CMM 8-30, QMP General
CMM 8-45, Materials Testing and Acceptance - General
CMM 8-50, Materials, Testing and Acceptance Guide
CMM 8-66, Asphalt Mixture Design
CMM 8-70, Materials Testing and Acceptance - Concrete

Links to the revisions are shown in the Table of Contents as published on the department's roadway standards web page at:

<http://wisconsindot.gov/rdwy/cmm/cm-00-00toc.pdf>

These boxes provide links to the revised section. Look for text boxes in the section to review the context of the specific revision.

Paragraph 1- 65.14.2 revised to detail region responsibilities for submitting structural as-built plans.

No login or password is required.

Please e-mail if you have any questions or problems with the CMM documents, website, or notification service.

Thank you,

Rich Sorensen, P.E.
